

## **Rolex Entry Deadlines**

Please pay close attention to the following entry deadlines. Entries for each event will close and must be received by Grand American Road Racing by these dates. Entries received after these deadlines may be returned without processing. There will be a Late Entry Penalty Fee of **\$1000.00** imposed on all accepted entries received in our office after the published entry deadline for each event. This includes entries that have technically arrived on time but are not able to be processed financially by the entry deadline whether it is a declined/invalid credit card or a returned check. No post entries will be accepted.
