

Crew Membership Application

Enclosed please find the forms and documents you will need to obtain your 2010 Grand-Am Crew Membership and annual Hard Card credential. The Basic Membership fee is \$65.00 and the annual Hard Card credential, which includes the Basic Membership fee and entitles you to admission to all 2010 Grand-Am events, is \$450.00.

If it is your preference to purchase credentials at each event rather than for the entire season, you may renew your membership by completing the enclosed application as a Basic Membership and mailing it back, or turn it in at your first event. A Basic Membership entitles you to purchase a single event credential at each event you attend. Single event credentials are \$125.00 each per event.

For the 2010 Rolex Series we have announced a schedule of 12 events and 2 testing dates. The 2010 KONI Challenge Series schedule consists of 10 events and 1 testing date.

Please take advantage of this opportunity to renew your Grand-Am Membership and Hard Card credential now instead of choosing to wait in line at Daytona in January to do it. Due to the sheer volume of people whose applications have to be processed during this time of year, if you decide to handle your renewal in person at registration instead of doing it now through the mail, your time in line can and probably will be measured in hours instead of minutes.

Do not attempt to duplicate the Grand-Am Membership/credential application. If you need additional forms, please contact us and we will be happy to send them to you.

Please take the time to carefully check over and insure that your paperwork is both complete and correct. All forms must be completely and legibly filled out and **signed in both places on the back of the form**. If information or signatures are missing or not legible, processing cannot be completed until those issues have been resolved.

Grand-Am Membership Hard Card credentials will be mailed out upon receipt and processing of completed and accepted applications, providing that they are received in the Grand-Am office no later than November 25th.

Due to the potential for holiday season mail delays, all completed applications received in our office after November 25th, will be processed and held for pickup in registration during the December Test, the January Test Days and Rolex 24 At Daytona events. There will be a special table just inside the door for Hard Card pick up. You do not need to wait in the "Will Call" or credential lines. Any Hard Cards not picked up at those events will be mailed after the Rolex 24 At Daytona event.

Please return your signed and completed application, including photo (if needed), and your remittance. If you have questions on completion of the enclosed document, please contact Fresha Myers at 386-681-6355 and she will do her best to assist you.

Please check our website at www.grand-am.com for 2010 event schedules, fees schedules, forms, and any other information you may need.
