New policy for KONI car number assignments

GS Cars will be issued 2 digit numbers only. (See exception B below).

ST cars will only be issued 2 digit numbers with the following exceptions.

- A. ST teams who were entered in the final 2 events of 2009, that register their prior year number in accordance with Grand-Am registration policies, may again be issued the same 3 digit number as used in the previous season.
- B. Upon all 2 digit numbers being utilized, new teams may choose a 3 digit number in accordance with C & D below.
- C. 3 digit numbers must begin with a number ONE.
- D. The numbers 100 through 109 are not available.
- E. Teams failing to enter two consecutive events will lose all rights to their number and that number may be re-assigned to a different team at the discretion of GRAND-AM timing and scoring.
- F. Grand-Am reserves the right to change policies on numbers.
